Dennis: Let me know how you'd like to proceed as you've got more recent communications with Dick and Richard than I. I will hold off on contacting Nina independently until we can compare notes.

Thanks,

I'd like to loop back with you on Oregon CZARA as soon as possible. The briefing memo attached is the clearest articulation I've seen of what the agencies would expect from Oregon to get to an approvable program. As I discussed in our last call, I'd like to strategize with you on how we might get Oregon to embrace what is needed here and determine whether there is time for one last push by you and me with the state folks.
